

“3rd KLSM Philippine Seminar” in Manila on 15 & 16th Dec. 2008

The 3 rd Philippine’s seminar was held in KLINE Building in Manila last December 15 & 16th.

The 3 rd Philippine’s seminar was held in KLINE Building in Manila last December 15 & 16th. A total of 49 KLSM officers and petty officers from Ventis have attended the 2-day seminar. Two days seminar covered many important of topics covering ‘K-Line Vision 100’, promoting ‘Excellence in Safety’, Manual revisions, excellence in machinery operations, sharing of experiences with a newly delivered Aframax, Incident investigation & root cause Analysis, lessons learnt from significant near misses in fleet, introduction to KLMA’s Cadet Training Program, excellence in protecting the environment, ‘excellence in navigation’ & team building. Although the pattern of seminar was same as carried out in India in Last week. This was another step achieved by KLSM to secure safety on board & implant culture of care for environment.
