

Tokyo Bay Clean-Up Action on 5th Sep. 2009

K” LINE has been participating “Tokyo Bay Cleanup Action” as a volunteer company every year, and this year it was held on 5th September at Odaiba Beach.

This activity is a part of “Social Contribution” which is promoted through CSR and KL-EMS with a motto “Make Tokyo Bay swimmable!”

Total 28 volunteers including 4 from KLSM-QCG took part in as “K” LINE group, and spent an hour collecting masses of trash throughout the beach area on a warm sunny day in the sea breeze from Tokyo Bay.

Though perspired terribly, it was a great experience to observe the beach getting cleaner inch by inch. Finally, more than 500 kg amount of litter were collected and piled up!
